

Brief Bio

Dr. Rajesh Raushan

Development Researcher, Technical Expert and Consultant with over 12 years of experience in population studies, Health, Nutrition, development, social equity, and evidence-based policy analysis. Proven expertise in public policy engagement, stakeholder liaison, and managing large-scale data-driven project; adept in applying mixed methods to evaluate development programs, generate actionable insights, and lead interdisciplinary research teams.

Dr. Raushan is having advanced training in Population Studies from IIPS, Mumbai and PhD from ISEC, Bengaluru. He has served in various capacities to IEG, JNU, ISEC, IIDS, IGNOU and currently at GIDS.

He has extended his expertise for policy-based research to NITI Aayog (formerly the Planning Commission), MoHFW, NIHFW, DST, NCW, NIRDPR, ICSSR, IDRC, Tata Trust, Ford, UNICEF, and various state governments like Karnataka, Chhattisgarh, and Uttar Pradesh. He is a Technical Advisory Committee member (TAC) for estimating district level MPI in UP.

Recently, he signed a book contract with Springer Nature under SDG series on Tribal health and Nutrition in India. Published author with over 37 academic contributions including peer-reviewed articles and book chapters, 8 working papers and a book; demonstrating his deep commitment and significant impact in his field.
